The Gathering will be held at Wiston Lodge, Lanarkshire from Thurs May 30th until Sunday June 2nd 2013. Dinner is at 6.00pm on an evening and so you can arrive at any time prior to that be it Thurs or Fri this time around. We will close after lunch on the Sunday. We cannot offer any rooms for the Sunday night as a new group will be coming into the Lodge and we need to vacate the place.

Places are limited to 30 and to secure one you must return a completed booking form with FULL payment. Dietary information is very important and if you do not provide it we cannot cater for your needs. Wiston can cater for any type of diet provided they have sufficient notice.

The idea behind Wee Drum is to share our rhythmical connection. On the booking form there is space for you to offer an activity, a poem, a song, a rhythm, a story, breathing...anything you wish that connects to rhythm.

Be specific. Be conscious. Have intention.

How long will your session last? What do you need to do it from us?

Whatever is offered will be the template around which we build our weekend.

I will facilitate the beginning of the process but it very often takes its own direction from thereon in and I am comfortable in standing back.

I look forward to meeting you, old friends and new. Travel Well and In Peace.
Paul xx
